We, Stanley P. Fisher and Juan Carlos A. Marquez, represent that we are the attorneys of record for the above-identified application.

The invention has been assigned to Kureha Corporation, who is the owner by assignment of the entire right and title of the above-captioned patent application.

Kureha Corporation is also the owner of the entire right and title to US Pat. App. No. 10/576,878 by assignment, and hereby disclaims the terminal part of any patent granted on the above-captioned patent application, which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer of US Pat.
